HAPPY 2014 FROM THE PRESIDENT AND EDITOR

Is there any doubt that Winter has arrived here in S.E. Wisconsin? The BSC Christmas party was a blast. For a more details, you may wish to read the article on BSC CHRISTMAS PARTY. The next Dinner/educational program for anyone to attend has been scheduled for Tuesday March 18th hosted by the Daniels Family Funeral Home. Thank you to Richard Kiekenbush for his service as BSC board Vice President. Richard will continue to serve on the Board of Directors. As of this writing there is an opening on the BSC Board of Directors. If you or you know of someone with a strong desire to move forward with senior issues, have them contact BSC or come to our open BSC board meetings that start at 8:45 AM the second Tuesday of each month.

The BSC NEWS has added Integrity Funeral services as new advertiser starting with this issue. Remember to support the business listed in the BSC NEWS. These advertisers and the listed businesses giving discounts to seniors help support senior issues. Sports 50+ continues strong. The domino players will help you learn the few rules like getting started, scoring and playing the Mexican train. Some players stay over for lunch at BSC. Your BSC NEWS editor has a great time bowling with this energetic group of individuals. To join this co-ed group of 50+ bowlers call Ruth Richmond at 262-210-7488.

CHOCOLATE CITY CARD CLUB TEACHERS

CCCC meets every Tuesday afternoon from 12:30 to 4 PMish to play cards. The card players invite anyone interested in playing cards to come to our open sessions every Tuesday afternoon. There is no age limit. Bring your friends. Bring your relatives. If you don’t play Euchre, Hand & Foot, Pinochle or Sheepshead/Schafkopf, no problem, we will teach you how to play. At many of the Tuesday afternoon sessions, treats, brownies or cookies are brought in and served by CCCC members. Our special angel Elna Mahoney brews fresh coffee for the card players.

“You’ve gotta dance like there’s nobody watching, Love like you’ll never be hurt, Sing like there’s nobody listening, And live like it’s heaven on earth.”

ARE YOU A HOSPITAL INPATIENT OR OUTPATIENT?

IF YOU HAVE MEDICARE – ASK!

If you’re in the hospital more than a few hours, always ask your doctor or the hospital staff if you’re an inpatient or an outpatient. Read on to understand the differences in Original Medicare coverage for hospital inpatients and outpatients, and how these rules apply to some common situations. If you have a Medicare Advantage Plan (like an HMO or PPO), costs and coverage may be different. Check your plan.

What do I pay as an inpatient?

• Medicare Part A (Hospital Insurance) covers inpatient hospital services.

Generally, this means you pay a one-time deductible for all of your hospital services for the first 60 days you’re in the hospital.

• Medicare Part B (Medical Insurance) covers most of your doctor services when you’re an inpatient. You pay 20% of the Medicare-approved amount after you pay the Part B deductible.

• Generally, the prescription and over-the-counter drugs you get in an outpatient setting (like an emergency department), sometimes called “self-administered drugs,” aren’t covered by Part B. Also, for safety reasons, many hospitals have policies that don’t allow patients to bring prescription or other drugs from home. If you have Medicare prescription drug coverage (Part D), these drugs may be covered under certain circumstances. You likely will need to pay out-of-pocket for these drugs and submit a claim to your drug plan for a refund.

Call your plan for more information.

For more detailed information on how Medicare covers hospital services, including premiums, deductibles, and copayments, visit www.medicare.gov/publications to view the “Medicare & You” handbook.

You can also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

What do I pay as an outpatient?

• Medicare Part B covers outpatient hospital services. Generally, this means you pay a copayment for each individual outpatient hospital service. This amount may vary by service.

Note: The copayment for a single outpatient hospital service can’t be more than the inpatient hospital deductible. However, your total copayment for all outpatient services may be more than the inpatient hospital deductible.

• Part B also covers most of your doctor services when you’re a hospital outpatient. You pay 20% of the Medicare-approved amount after you pay the Part B deductible.

HOW TO GET THE CORRECT SHOE FIT

When trying to find the correct fit for your shoes, measure your feet from the ball of the foot to the heel………..this is the arch length. Some people have a short or a long arch. A toe to heel measurement can result in uncomfortable shoes. Therefore, it is important to buy shoes that fit and feel comfortable in the arch. Seek out a knowledgeable and trained shoe fitter to help you with this decision. Mary from Burlington Footwear

WHEN YOU GIVE OF YOURSELF, YOU GIVE A TRULY PRICELESS GIFT.
By Donna Cardillo
www.DonnaCardillo.com

Many of us are busy buying gifts for others during the holiday season. But remember that the greatest gift you can give anyone is your time and attention.

Spending time with those you love or those who need some human kindness/contact—listening to them, helping them with something, having a meal with them, doing fun things together, taking them somewhere they’d like to go, or just sitting together quietly if that is appropriate—has more meaning than any card or sweater or electronic device.

When you give of yourself, you give a truly priceless gift.

The Chocolate City Card Club announces the playing of the card game Hand and Foot on Tuesday afternoon at 1 pm. New players are welcome at BSC, 201 N Main St. Burlington. Hand and Foot is a great card game, a variation on Canasta. The object is to build a seven card set of any one suit (7 Kings, or 7 fives or 7 Jacks, etc.), which is called a Book. A natural set has no wild cards and is called a Red Book. You can use wild cards to make a Black Book. Get the required number of Red and Black Books and get rid of all your cards fist. You win that hand. Four hands make a game. The person (team) with the most points at the end is the winner. A score sheet tracks the scoring, and acts as reminder of the game structure.

WINTER IN WISCONSIN
Hello and Happy New Year! Wisconsin has had quite the winter already. I wanted to make sure you know some important tips from the state on how to stay safe during these frigid and snowy months.

The Wisconsin Department of Health Services suggests having furnaces checked annually for efficient and safe operation. Before a winter storm hits, it’s also recommended that you prepare ahead of time with candles, matches, batteries, flashlights, blankets, food, any medication and a first aid kit.

Perhaps the hardest part of winter is driving in the snow. Be sure to give yourself extra time to get to your destination and plenty of time to stop on the roads. For more helpful tips and winter road conditions, go to www.readywisconsin.wi.gov.

The Wisconsin Emergency Management suggests that you pack your car with an emergency kit that includes blankets and food, just in case. As your state representative, my main job is to make sure your questions are answered. If you have any concerns or comments, please call me at (608) 266-9171 or email me at Rep.Vos@legis.wi.gov. Also check out my website, www.speakervos.com, for important legislative updates. I look forward to hearing from you soon!

WINTER IN WISCONSIN
Hello and Happy New Year! Wisconsin has had quite the winter already. I wanted to make sure you know some important tips from the state on how to stay safe during these frigid and snowy months.

The Wisconsin Department of Health Services suggests having furnaces checked annually for efficient and safe operation. Before a winter storm hits, it’s also recommended that you prepare ahead of time with candles, matches, batteries, flashlights, blankets, food, any medication and a first aid kit.

Perhaps the hardest part of winter is driving in the snow. Be sure to give yourself extra time to get to your destination and plenty of time to stop on the roads. For more helpful tips and winter road conditions, go to www.readywisconsin.wi.gov.

The Wisconsin Emergency Management suggests that you pack your car with an emergency kit that includes blankets and food, just in case. As your state representative, my main job is to make sure your questions are answered. If you have any concerns or comments, please call me at (608) 266-9171 or email me at Rep.Vos@legis.wi.gov. Also check out my website, www.speakervos.com, for important legislative updates. I look forward to hearing from you soon!
